### Black Hand Scores Three Deaths.

### Dynamite Thrown Through a Window Where Suspected Men Were Eating.

### Five Other Italians Injured and the Shack Reduced to Mere Fragments.

### Judge W. C. Hazeltine of East Youngstown Receives a Fiery Warning.

**BY DIRECT WIRE TO THE TIMES.]**  
**BROWNVILLE (Pa.) Feb. 11.**—[Exclusive Dispatch.] The Black Hand Society of the Monongahela Valley caused the murder of three Italians, today, because it believed they had betrayed the meeting-places of the society to officers.

The tragedy occurred at Whitsett, a mining hamlet near here. The victims, Pietro Vincelli, Antonio Dimetro and John Laggi, miners of the better class, were at dinner in their boarding-house, when a stick of dynamite came crashing through the window and struck the stove.

The shack was blown to fragments, and the three men were instantly killed.

Five other Italians were more or less seriously injured. They have been taken to the hospital at Connelville. George Carter, a Slav, was arrested tonight on suspicion of having committed the crime. He is known to belong to the band of anarchists who have created a reign of terror in the Valley and whose president, vice-president and treasurer are now in jail.

**WARNING TO A JUDGE.**  
 At East Youngstown, O., Saturday night, Judge W. C. Hazeltine was awakened by what he supposed was burglars trying to effect an entrance to his residence. He went downstairs to investigate, and found on his front door a rude "Black Hand" poster, consisting of a hand grasping a dagger. This warning was sent to Judge Hazeltine because he had publicly announced he would break up the "Black Hand" society in the Mahoning Valley and would run to earth the members of the society who had caused the murder of Peter Tighe.

Early this morning, Judge Hazeltine's down-town office was set afire and completely destroyed, with all its records. The judge had accidentally left his safe unlocked Saturday night, and when the door was opened this morning it was found that the contents had been stolen and another "Black Hand" emblem left in their place.

## WRECKED AT FULL SPEED.

Eastbound Texas and Pacific Train Goes Off a Broken Rail and Eighteen Passengers Suffer.

**BY DIRECT WIRE TO THE TIMES.]**  
**FORT WORTH (Tex.) Feb. 11.**—[Exclusive Dispatch.] While running at full speed, yesterday, near Odessa, Tex., an eastbound Texas and Pacific passenger train was wrecked by a broken rail. The Pullman and chair cars were dented and eighteen passengers were injured, a few of them seriously.

## FIREMEN FALL WITH A FLOOR.

SIX-STORY STORE AND FACTORY BURNS IN NEW YORK.

**BY THE ASSOCIATED PRESS.—P.M.]**  
**NEW YORK, Feb. 11.**—More than a quarter of a million dollars' worth of property was destroyed and several firemen were injured, one of them seriously, today, by fire in the six-story store and factory building at Nos. 86-88 Broadway. The four upper floors of the building were burned out, the floors and roof falling in while the lower portions of the structure were flooded.

The firemen who were injured were caught under a mass of partly-burned packing boxes when one of the upper floors collapsed.

The burned building was occupied by the Phillips-Anderson Company, makers of women's hats; Heller & Company, makers of women's coats; Louis Auerbach, neckwear manufacturer; Cohen & Lang, clothing manufacturer; and Stiglitz & Dinkelspiel, cloak makers.

## CRAZED MAN ON ROOF.

Mad Case of Patient Who Escaped from the New Orleans Charity Hospital.

**BY DIRECT WIRE TO THE TIMES.]**  
**NEW ORLEANS, Feb. 11.**—[Exclusive Dispatch.] After being placed on an operating table at the Charity Hospital to undergo an operation which was supposed to mean life or death to him, Joseph Donahue broke away from the attendants, sprang from the table, climbed up a ladder to a skylight in the roof, smashed it, and was chased about the roof of the building for ten minutes before he was captured by the attendants.

Donahue, while crazed with whisky and drugs, collided with a rapidly-moving street car, and although several bones were broken and he was internally injured, he seemed to be as lively as ever.

## LOU DILLON'S START.

NEW YORK, Feb. 11.—[Exclusive Dispatch.] Billings said tonight: "I started Lou Dillon much against the advice of the veterinary surgeons and my most intimate friends, in order to give Mr. Smathers, the representative of the New York Driving Club, a clear title to the gold cup. When the trophy was handed to him by the judges of the race, my interest in it ceased forever."

If President Jones, Secretary Howe and the other officials of the Memphis Trotting Association are now convinced that a fraud was perpetrated in a contest which took place at a meeting given under their auspices and have evidence enough to prove the charge, it is their own affair.

## FIGHT IN CHURCH.

### Chicago Mob Runs Priest Home.

### Father Edward Stefanowicz's Residence Wrecked and Six Men Injured.

### Woman Slapped His Face and Another Threw Beer Bottle at His Back.

### Faction of Congregation Accused Him of "Hold-out." Police Use Guns.

**BY DIRECT WIRE TO THE TIMES.]**  
**CHICAGO, Feb. 11.**—[Exclusive Dispatch.] More than two thousand infuriated men and women of the Lithuanian race, members of the Catholic Church of the Providence of God, after a riotous demonstration at the church, today, stormed the parish home in an endeavor to kill Father Edward Stefanowicz, the pastor.

Seven men were seriously injured, and every window in the house was broken. The building was partially wrecked before scores of police reserves, with twelve patrol wagons, rescued the priest and put an end to the riot.

**A WOMAN DID IT.**  
 A woman started the riot in the church by slapping the priest's face. Another woman arose and struck the priest with a beer bottle.

A squad of police rushed to the priest's aid, and led him through a rear passageway to the parish home and barricaded the doors. The mob of infuriated men and women followed quickly swelled to a crowd of 2000.

**THE POLICE CHARGE.**  
 The police charged, and were met with a shower of missiles. Reserves were called out. The mob threw stones, and grappled with the officers. Women jeered and struck officers in their faces.

Again 100 policemen charged the rioters, and fired upon members of the mob. Several rioters were shot and others were injured with clubs and missiles.

Brave firemen and policemen saved lives at the Hotel Louise last night by carrying guests down ladders from smoke-filled rooms.

## PARSON DONE SLUGS TRUSTEE.

### MISTAKEN MINER HE KNOCK DAY PARSON DOWN.

**Rev. Seymour Refuses to Give up His Church or the Collection Box and is Drawn into an Altercation That Ends "Brotherly Love" in the Shade.**

**BY THE ASSOCIATED PRESS.—P.M.]**  
**ST. PAUL, Feb. 11.**—Efforts which the congregation of the St. James African M. E. Church in this city have been making for several weeks to elect their pastor, Rev. Seymour, culminated in a riot during the services, this morning, during which Rev. Seymour placed his fist in the eye of Trustee R. C. Minor, knocking him down, and was himself sent to the floor in front of the altar by Trustee Robert Lowe.

A free-for-all fight was prevented by the arrival of a patrol wagon full of policemen, who had been called when the row started.

The trustees of the church recently voted to reduce Rev. Seymour's salary from \$80 to \$10 a month, but notwithstanding this, Rev. Seymour had refused to give up his church. This morning, after preaching a sermon on "Brotherly Love," Rev. Seymour announced the collection. Two of the insurgent trustees came forward to take up the collection, but Rev. Seymour called vociferously upon two of the stewards faithful to him to gather up the offering. The congregation by this time were filing before the contribution boxes. Rev. Seymour stood guard over one, but unfriendly trustees held the other boxes.

Rev. Seymour attempted to take charge of one of these boxes, when R. C. Minor, a trustee, who was holding it, objected. Rev. Seymour promptly swung his fist to Minor's eye, and the latter went down and out.

## CHASED BY FIRE.

### Broadway Roomers Seek Ladders.

### Guests at the Louise Borne from Blazing Building by Firemen.

### Some to Save Effects Climb Back to High Windows; Again Rescued.

### Dense Smoke Overcomes the Hosemen and Ambulances are Called.

**THE LOUISE,** a three-story brick block, with basement, located on the east side of Broadway and including Nos. 516, 518, 520, 522 and 524, stands this morning a ruin, from fire and water.

Twelve people were carried down ladders from the front windows, most of them all but suffocated from the smoke and gas in the rooms and hallways through which they had attempted to grope their ways.

On aged man was taken from his sick-bed, unconscious from the smoke, and safely borne down the steep descent to a waiting ambulance.

Firemen braved the deadly fumes and dense smoke, and labored until they toppled over and grasped for breath. Two of them were overcome while working on the second floor, and were hurried away to the Receiving Hospital.

People who were sleeping when the flames broke out underneath their rooms, only had time to hurriedly toss on their clothing and reach the front windows before the smoke became stifling and deadly.

Fortunately there was no loss of life, and the 100 or more guests of the Louise made their escape with but few accidents. Those who were overcome by the smoke and gas soon recovered on reaching the fresh air.

He is Bent Upon Creating Friction

(BY THE ASSOCIATED PRESS—P.M.)

CINCINNATI (O), Feb. 11.—[Exclusive Dispatch.] Wong Pong, former secretary of the Six Companies in San Francisco, who is visiting in this city, today said he thought the Boxer trouble in China is about to culminate in the greatest massacre of modern times. He issued the following warning to several American friends tonight, also telegraphing it to Seattle, and other Pacific Coast cities:

"Blew is about to fall. Cable warnings to friends to leave China at once. Tell them seek protection of Germany temporarily, and get out of the country before February 24."

Wong is visiting Ah Lee Wai, the wealthiest of the local Chinese colony, and after the messages were sent explained their purpose as follows: "I received this morning that the order had been sent out to subordinate the Chinese Reform Association to throw off all foreign elements in our country, starting February 25. The association is ostensibly patriotic."

HONGKONG, Feb. 11.—A dispatch received here from Canton says that the anti-foreigner sentiment there is due to the attitude of the Viceroy, who appears to be determined to create friction with the United States.

The Viceroy, up to the present, has taken no action in connection with the representations of the consular body regarding the recent attacks on foreigners.

A letter has been widely circulated in the city of Canton, urging the people to subordinate with a view to the expulsion of the Viceroy.

CERT ACCUSES CORPORATIONS.

KANSAS CITY, Feb. 11.—[Exclusive Dispatch.] The so-called boycott on American goods in China is largely a myth, said Baruch Cerf, superintendent of the Industrial Commercial Exhibit at Shanghai, China, today.

"All of this talk in American newspapers about the boycott is part of a general scheme hatched by certain corporations in the United States, who make a business of loaning money to a class of coolies who come to this country. This movement is backed by European interests. It is a mistake on the part of Americans to pay any attention to the boycott, because there is nothing of it."

## TROUBLES OF THE HEART.

Five Boston Women Bring Suits for  
Sums Ranging from Five to One  
Hundred Thousand.

BOSTON, Feb. 11.—[Exclusive Dispatch.] Five women have brought to trial here breach-of-promise suits against as many men, aggregating \$250,000, considering that the best heart restorative in the cold coin of Uncle Sam's mintage. The largest sum demanded is \$100,000, by Mrs. Theresa Hazlman, a handsome palmist and widow, from Neil McNeil, a wealthy Dorchester contractor, whose acquaintance she made in the course of consultations at her apartments in regard to the future. Mrs. Hazlman says it is not money she wants, but vindication, and she would willingly marry Neil tomorrow, if he did not have a cent.

Jennie C. Reidel wants \$20,000 from Adam Beck, who went back on his engagement after its announcement and that of the wedding day. Miss Emma Browne wants \$20,000 from Frank P. Clark, a Ware widower, for treating her badly. Miss Bertha Turner sues for \$5000 against P. S. Whitcomb, because he broke up her position as church organist to prepare for her wedding. Miss Maud Ellis, a prettiest of the town, wants \$20,000 from a Salt Lake boarder who has called on Caliente hotels for provisions.

hold a people together who have lost their political independence, their language and their country. We are a moribund nation. I admire the logic of those who say the Jewish nation is dying, let it die. Their position is perfectly logical. On the other hand, I admire the position of those who demand a central organization, a unified political power, as the single means of continued existence. Their position is also logical. There is no other conceivable attitude to the problem. The rest is compromise and has no significance.

EDITOR AND COLONEL.

ATLANTA (Ga.), Feb. 11.—[Exclusive Dispatch.] Fears of a duel or street encounter are causing much alarm among the friends of John Temple Graves, editor of the Atlanta News, and Col. James W. English, Jr., chief of the Georgia staff. These men in the last few days in published cards denounced each other as liars.

OLD FIDDLERS' CONTEST.

TERRE HAUTE (Ind.), Feb. 11.—[Exclusive Dispatch.] There is to be an old fiddlers' contest at Clinton, tomorrow night, to raise money for the fund to search for "Rich" Boyers, the Seelyville boy kidnapped in May, 1904, and the men with the rosin and the howl, who have been known up and down the Wabash Valley as peddlers in "Turkey in the Straw," and "Sage in the Gourd" will participate.

TIPPECANOE'S OAK CUT.

LAFAYETTE (Ind.), Feb. 11.—[Exclusive Dispatch.] Lafayette's famous big tree, one of the oldest and best known landmarks in the State, is no more. The giant oak under whose branches Gen. William Henry Harrison slept while on his way to the battle of Tippecanoe has been cut down.

CAPT. DAN McDONALD DEAD.

LACROSSE (Wis.), Feb. 11.—[Exclusive Dispatch.] Capt. Dan A. McDonald, one of the pioneer lumber and river men of the Northwest, died today, aged seventy-four years. He was among the earliest boat-owners, pilots and masters of the entire upper Mississippi River, entering the business in 1854. In the early days, he was prominent in Wisconsin politics, serving as Assemblyman and later as State Senator.

THE LABOR PARTY.

One of the Chinese merchants at the dinner reported the proceedings to the "Chicago Herald," who quoted Bryan as declaring that the labor party was as strong in the United States as Chinese workers, and would never be permitted to enter, and as drawing a gloomy picture of what would happen to the American workers if the Chinese were allowed to take away their employment. This informant said that while Bryan had agreed to support a number of labor proposed changes, he had not been able to draw from the American leader any definite assurance of support of policy which would insist upon as the only condition on which the boycott would be withdrawn.

After Bryan's speech the Chinese merchants became convinced that Congress would not adopt the changes recommended by the American merchants.

ELKS' SPECIAL TRAIN  
DELAYED BY WRECK.

(BY DIRECT WIRE TO THE TIMES.)

KELSO, Feb. 12.—[Exclusive Dispatch.] The second section of the Elks' special excursion train has been delayed at Kelso, a tunnel near Caliente, because of a freight wreck which completely fills the tunnel. Particulars of the wreck have been learned, beyond the fact that no lives were lost and no one was seriously injured.

The passenger was flagged just in time to avoid a bad accident. It is thought that a broken rail was the cause of the wreck, and but for the fact that the train was running at slow speed a number of lives would have been lost.

The wrecked cars completely filled the tunnel, and until they can be removed, section No. 2 will be compelled to remain there. Unless the train is delayed longer than is expected, the passengers will suffer no inconvenience, as the two dining cars are well supplied with eatables, but in case it takes longer to clear the wreck, the Salt Lake boarder may have to call on Caliente hotels for provisions.

# HORNED HERD DUE TONIGHT.

Seven Hundred Utah Elks  
Speeding Southward.

Whole-hearted Hospitality is  
Awaiting the Visitors.

Suburban Cities Join Hands  
for Entertainment.

With arrangements all completed,  
the Elks of Los Angeles are  
awaiting the onslaught of the  
Horned Herd from Salt Lake City, who  
are due to arrive here tonight, more  
than seven hundred strong.

A reception, the like of which the  
city has never before experienced,  
will be given for them, if the arrange-  
ments are a success.

From San Bernardino to this city it  
was a triumphal march. The Elks  
of San Bernardino, reinforced by the  
Elks of Commerce of that place,  
will escort the strangers, and for one  
night will endeavor to give them a  
most enjoyable and entertaining  
time.

The Elks are coming in three sec-  
tions over the Salt Lake road, and as  
each section comes in the members  
of the other sections will be on hand  
to give them the sights of the coun-  
try about.

Elks have prepared to give  
them a similar reception, and there  
will be a friendly rivalry between the  
two sections as to the length of time the  
visitors will spend with each.

John No. 738 of Pomona is figur-  
atively "on top" of the Elks, and  
it is given a turn at  
entertaining the brother Elks. Con-  
sequently the Elks will make a short  
stop at Pomona.

All of these plans are but prelimi-  
naries to the Elks-in-the-bottle enter-  
tainment which will be given at the  
City of the Angels.

It was reported at the Spring-street  
meeting of Lodge No. 39 that the  
Elks of George Goldsmith's Enter-  
tainment Committee were planning to  
give a party at all right, so that they could  
start for this morning.

A committee from the Los Angeles  
Elks of Commerce has joined with  
the Elks of the Elks, and upon the  
basis of the three sections the hun-  
dreds of Elks will be escorted with  
the Elks of the Elks to the new Alex-  
ander Hotel, which will be the official  
quarters of the visitors during  
their stay here.

Not all of the visitors can be  
accommodated there, and as a result  
many of them will be housed at  
other hotels at several other down-  
town locations.

Many of the visitors have been  
told that hotel accommodations are  
at a premium, and it was a serious  
matter to get up to a late hour last night  
to see if the visitors would be ac-  
commodated.

The first round of entertain-  
ment will open in the reception hall of  
the Alexander Hotel. That body  
will give a public reception to the  
Elks, to which the general public  
will be invited. It will begin at  
8 o'clock. The affair will  
be a success, and no one will  
be disappointed.

This will be given one day of  
the week, and then No. 39  
will open its doors Wednesday  
night, and take its brother Elks  
to its home.

There will be a business ses-  
sion at 10 o'clock, and then the  
entertainment to the lodge will be in-  
augurated. Following this will be a social  
dinner, and then the Elks will be  
entertained at the Elks of the Elks.

The Elks of the Elks will be

## KOCH LOSES SUIT.

Supreme Court Sustains Decision of Los Angeles Trial Court in Pasadena Railway Case.

The Southern California Railway Company will not be forced to pay to John Koch damages for personal injuries received by him by being struck by a train at a street crossing in Pasadena.

The Supreme Court on Saturday at San Francisco affirmed the decision of the trial court at Los Angeles in favor of the railway company.

Koch sought to recover damages from the company because of personal injuries he had received by being struck by the train; but the trial court held that Koch had not exercised due care, and the higher court holds that the verdict against Koch was rightly ordered.

This opinion was written by Justice Hendon, and concurred in by Justices McFarland and Shaw. The Chief Justice wrote a dissenting opinion in which he stated that, inasmuch as the gates protecting the road were up, indicating that it was safe for travelers to cross the track, the plaintiff was not guilty of contributory negligence.

## ST. PATRICK'S DAY.

Hibernians Preparing for Elaborate Celebration of Day Devoted to Ireland's Patron Saint.

Although more than a month distant, St. Patrick's Day is even now in the minds of Los Angeles Irishmen, and there are plans being formulated for a proper celebration of the day.

This celebration will be in the hands of the Los Angeles Division, No. 1, Ancient Order of Hibernians, this local division, at the last meeting of the local division.

Bishop Conaty has been invited to make the annual address, and the entire proceeds of this affair will be turned over to the chaplain of the division, Rev. P. J. O'Reilly, pastor of St. Patrick's Church.

The Ladies' Auxiliary will cooperate with the division, and the affair will be one of social prominence. The division's entertainment committee is composed of Francis G. Haley, Dr. William R. Malony and W. J. LaBrotte.

## UNIVERSITIES WILL CONFER.

Delegates from Fourteen Institutions to Meet in San Francisco—Bishop Conaty to Attend.

The conference of American universities will be held in San Francisco March 14, 15, 16 and 17. The conference will be made up of fourteen universities, among which are included Harvard, Yale, Clark, Princeton, the Catholic University of America, the universities of Michigan, Wisconsin, Chicago and Pennsylvania, and the two big universities of California.

Bishop Conaty has been selected by the Catholic University of America, which he served as rector for six years, to represent it at the forthcoming conference.

Office Desks of Real Worth

There are, of course, many lines of office desks and many grades to choose from. A few are good, many bad, and some fill well in between. We have never deemed it profitable to handle anything but the very best lines, and when making our selection we have always found the Celebrated Standard desks to best fulfill our requirements.

We just received another carload of these desks, which makes our showing at this time exceptionally complete. This new display excels any showing in Southern California, and you will find here desks of every style and description, from the smaller most inexpensive kinds to the large massive structures designed for the most sumptuously furnished offices. If you are interested in the furnishing of an office and require a desk you should give these desks your careful consideration.

## HART-BURNS NEXT SCRAP.

Men Will Enter the Ring at  
About Equal Weights.

Tommy Has Always Reduced  
Himself Too Much.

If Nelson Fights Here He  
May Meet Herrera.

Now that the Herrera-Herman fight is a thing of the past, local scrap sports are looking forward to the Burns-Hart fight on the night of February 23, and are already wondering how this one will result.

Hart has never been seen here in action, but comes to us with the title of heavyweight champion, which he claims by reason of winning his last fight, and getting the honor from Jeffries by gift, which Jeff says he never gave to Hart, because he did not do such a thing. Hart is a tough customer, and is a cracking good one, and for this reason local men are anxious to see him work.

There seems to be a feeling along Spring street that Burns has a lot of nerve to go up against a heavy man like Hart, but as a matter of fact there will probably not be over ten pounds difference in the weight of the two men. Hart will doubleweight about 190 when he steps into the ring, and Burns about 180, and ten pounds is little or nothing among big fighters, as they always fight at "catch weights," so-called. Burns may seem impossible to many people in a scrap with Hart, because Burns has always been trying to make the middleweight limit of 155 for his fights here. Making this low weight has always weakened him, and his fights have been nothing startling for this reason.

As a matter of fact he weighs now about 185 pounds, and certainly looks strong and rugged, and in fighting Hart he can make any weight he chooses, and he should certainly be at his best in the coming contest. If natural fighting shape has anything to do with it, he won't be weak this time, for he will not be forced to reduce himself, and those who see the fight will see a very different Burns from the one they saw go against Twin Sullivan. He is training at Lewis's place on South Spring street, and the best evidence that he thinks he will win from Hart, is that he will bet his own money on himself, and that is everything in a fight. Hart is down at Santa Monica, and, of course, both men are putting in their best looks to get themselves in proper shape to win. Burns thinks he has a very good chance to get the long end of the purse, and there are other experts who think the same way.

Manager McCarey has not yet arranged the preliminaries for the big fight, but in all probability he will again put on Webster and Cole, who have such a cracking good bout last Friday night, until Cole's end suddenly came from a haymaker in the fourth round. It will be remembered that after the first round, Webster was backing away like Herman did later on in every round, and many sports look upon that knockout as something of a scratch. In any event, these two boys can furnish about the prettiest preliminary one would care to see, no matter which one wins.

As might have been expected, Kid Herman is not anxious for the more Herrera, after his experience last Friday, and while the Mexican was ready to sign for a return match at once, there was nothing doing with Herman. The writer believes that the backers of Herman were satisfied to get their money back, and that about tells what they must have thought of the fight. There was no loud demonstration on the public highway that Herman was "robbed," and this is pretty good proof that he wasn't. The Mexican didn't seem to have his usual speed. He had a big lead in the third, fourth and eighth rounds, and didn't even try to follow these up. He didn't like a man to run away from him as Herman did, and was apparently bothered by the Kid's holding up fight in the clinches. He should have resorted to uppers when he found the Kid ducking and clinching so much, but, after all, the sports were well satisfied with the fight, and it is probably likely to make comments on how something might have been accomplished that is past and gone. It can be accepted as a clinch that if either of these boys meets Nelson here it will be Herrera and not Herman.

### AIRSHIP RACES.

**BEGIN EARLY IN APRIL.**  
(BY THE ASSOCIATED PRESS.—P.M.)  
PARIS, Feb. 10.—The rules for the James Gordon Bennett aeronautic cup fix the last day for the reception of entries as March 1. Trial races will be held April 2. The first entry, which was received today, was from the Italian Aeronautic Society, which has chosen Alfred von Gertel as pilot of the aircraft, as the pilot of its airship.

**CHICAGO AUTO SHOW.**

More than 47,000 cars were expended in Chicago for automobiles during the seven days that the show was open, according to the official estimates. The total attendance was 265,000 persons.

(BY THE ASSOCIATED PRESS.—P.M.)  
ST. LOUIS, Feb. 10.—By a magnificent finish, and after apparently being badly beaten, Thomas Huston of Scranton, Pa., overcame a lead of 107 balls in the final game of his match last with Charles Weston of Chicago, challenger for the world's championship pool emblem and retained the trophy. The final score was 600 to 587.

the Santa Monica, but the latter will try to make it three straight series. E. L. Mills and Rohr, and like a match with Ford Owen and Morley on the latter's alleys this week.

## LOCAL TEAM IS SHAPING UP.

SAME OLD LOOLOOS WILL BE IN  
LINE AGAIN.

Manager Morley Does Not See How  
He Can Improve His Playing Force  
by Any Changes—Jud Smith May  
be at Third, Brashear at Second  
and Atz at Short.

With the baseball season less than two months away, and all the league business settled, the local fans are beginning to wonder if there will be any changes in the local team this year, and it can be stated that the team will be practically as it was last year. This is from Manager Morley himself, and while he has a number of letters from ball players in different parts of the country asking for places, he has given none of them any satisfaction as yet, pending his luck in getting signatures to contracts from the men he has under reserve. He expects to talk contracts with his players this week.

Of course, Frank Dillon will be captain and field manager, and first baseman, as he was last year, his ability as a player and captain being too well known to admit of any other captain as long as he remains on the team. Ellis, Bernard and Cravath will be in the outfield, as every one expected, and Ross and Eager will catch. The pitcher will be the same as last year, with the possible exception of Goodwin, who is too young and raw to be considered to keep him on the list at a decent salary. Baum would like to go to San Francisco, but there is nothing doing in that line for him.

Morley expects to make some kind of a bargain with Portman, so as to keep Jud Smith here as a third baseman, although he belongs to Portland, according to the Flood-Smith. Atz-Schlaefly trade last season. Flood will probably go to Portland, as he has expressed a desire to stay there, and in the event of this Morley would like to place Atz at short, and put Kittle Brashear at second base. This would make a very strong infield that would be hard to get away from. It is not known whether Spies will be on the catching list, but he has been in his throwing arm, but is said to have enough money so that it is not necessary for him to play any more. It is not likely that he will be in the game.

### BILLIARD PLAY.

Billiard players will see some good sport, this week in a three cushion tournament that will open this evening at Henry Berry's room on South Spring street, and will probably continue for several weeks. There are six entries, and it will take some time for them to play each other, even if they have a game every other night. It is understood that thirty points will be played as a game.

The entries are W. H. Berry, E. R. Allen, W. A. Jackson, A. Clark and Dr. Treen of this city, and A. G. Slumpkins of San Francisco, the latter having a good reputation as a three-cushion shark.

### SWEET CHARITY BOUTS.

**GREAT CROWD TURNS OUT.**  
(BY THE ASSOCIATED PRESS.—P.M.)  
SAN FRANCISCO, Feb. 11.—Twenty thousand people gathered at Recreation Park today to witness the benefit baseball game and boxing bouts tendered to the widows and orphans of Firemen Dakin and Hennessey, who met death in fighting the fire and smoke at the city hall.

Boxing bouts were furnished by Britt, Berger, Hanlon and Toby Irwin. Joe Corbett made his first appearance on the diamond for nearly a year, pitching the first inning for the Gleasons.

### GOOD TEAM IN SIGHT.

**U.S.C. BASEBALL PROSPECT.**  
The University of Southern California prospects in baseball are good. Coach Holmes, who was so successful in turning out a winning football team, with the material at hand, to be able to turn out a quick, snappy baseball nine. Out of the "Varsity" team of last year, there are five men in college. This means at least that the University will have an experienced team. In last year's nine, there were men of more than mediocre talent.

Darby, this year's captain, and Bridwell, who held down shortstop on last year's Varsity, are good players. In order to get a better line on any new material in school, Manager Cooper has scheduled several inter-class games to be played this week. Tomorrow the academy championship will be decided, and Tuesday afternoon the annual Freshman-Sophomore game will be fought out on the University diamond.

### ANTI-DOPING LAW.

**SHOULD BE PASSED.**  
(BY DIRECT WIRE TO THE TIMES.)  
NEW YORK, Feb. 11.—[Exclusive Dispatch.] "No better time than the present," said a prominent turfman today, "could be chosen for the introduction of one of two bills in the New York Legislature which would make it a penal offense to 'dope' a race horse or trotter."

"If doping a horse were a penal offense, the turf might not have been confronted with the greatest scandal of which of late years has besmirched the sporting world. What is alleged to have been done at Memphis to Levi Dillon might not have been done if Tennessee had on its statutes laws which would send to jail such men as those connected with it."

### JERSEY AFTER AUTOS.

**PEANUTS TO REDUCE SPEED.**  
(BY DIRECT WIRE TO THE TIMES.)  
TRENTON (N. J.), Feb. 11.—[Exclusive Dispatch.] Reasons why doctors, merchants and others who use automobiles for professional and business purposes should oppose the passage of the Frelinghuysen and similar drastic automobile bills, are advanced by Frank B. Moore, one of the best-known automobile men in the State. "This talk of barring from the State all automobiles that are geared to a speed exceeding twenty miles an hour is a dream," said Moore. "To pass such a law as has been proposed would be to bar from the State nine-tenths of all the automobiles manufactured."

**Bronco Busting.**  
Owing to the rain yesterday morning there was no bronco busting contest at Fiesta Park yesterday afternoon, but the show will be given next Sunday. Two of the attractions promised will consist of the attempt of a girl to ride one of the buckers, and Bob Ellison's boast that he will ride the bad actor, Idaho Chief, without putting his feet in the stirrups of the saddle. There will be some money there to bet that he won't stick on.

## BLACKBURN A GOOD ONE.

Colored Pug Claims Title of  
Lightweight Champ.

Offered to Beat Herrera or  
Take No Money.

Built Like Fitz and Looks  
Like Joe Gans.

Manager McCarey of the Pacific Athletic Club might go further and fare a lot worse than to match the colored lightweight, Jack Blackburn, for a fight in this city in the near future. He is said to be one of the best in the business and would prove a good attraction to put on here with any lightweight that could be induced to fight him.

He is practically unknown in this part of the country, and yet he beat Gans, Mike Twin Sullivan and Jimmy Gardner among other welterweights, and only last week had away the best of a ten-round fight with George Gunther at a Pennsylvania town, Gunther being heralded as the welter champion of Australia. He is known to fame as the only man that ever knocked out Joe Grim, the Ghetto champ with the iron jaw. In the fifth round of their fight in Philadelphia, Blackburn had Grim down for twenty seconds, but the referee knew the end of the round was near and let the Italian lay on the floor until the bell rang. When Blackburn got up, he was the winner of the men's golf tournament. It is said that Blackburn offered to knock him out in six rounds or forfeit his share of the money, and also made the same offer to Willie Fitzgerald, Corbett, Willie Lewis and Unk Russell, but neither was looking for anything like this.

His string of victories among the heavies is good enough to make him worthy of any manager's notice, for he put away Dick Fitzpatrick of Chicago, Cy Flynn of Buffalo, and Jack Williams of Philadelphia, who is considered by some to be the best middleweight in Pennsylvania, barring Jack O'Brien. His most recent notable victory is the knockout of Pat O'Rourke in New York, who weighs 150 pounds.

This colored wonder is something after the style of Walcott in being able to fight a lightweight one day, a welter the next and a middleweight the following week.

He is built on the Fitzpatrick plan, and is but 22 years of age. He is very tall for his weight, being 5 feet, 11 inches, and weighs very much of Gans. His shoulders are very broad and he has a great reach, is possessed of heavy hitting power, is an expert

### CORONADO BEACH.

**WINNERS AT GOLF.**  
HOTEL DEL CORONADO, Feb. 11.—J. P. Gardner of Chicago is the winner of the Coronado Country Club championship, which closed yesterday, and holds the championship of the Coronado Country Club for 1908. In yesterday's playing Mr. Gardner beat T. S. Lippert of Seattle.

His string of victories among the heavies is good enough to make him worthy of any manager's notice, for he put away Dick Fitzpatrick of Chicago, Cy Flynn of Buffalo, and Jack Williams of Philadelphia, who is considered by some to be the best middleweight in Pennsylvania, barring Jack O'Brien. His most recent notable victory is the knockout of Pat O'Rourke in New York, who weighs 150 pounds.

### JACK BLACKBURN.

Crack Lightweight Fighter.

boxer and fast on his feet, that would certainly make a color in the line of Herrera would not draw the color line. Blackburn might be a good one to give a fight here, and he claims the lightweight championship and says he will defend it against all comers.

### GUESTS OF THE ALEXANDRIA.

Hotel Proprietors Entertained at Informal Dinner in the New Hostelry.

CORONADO BEACH.  
WINNERS AT GOLF.

HOTEL DEL CORONADO, Feb. 11.—J. P. Gardner of Chicago is the winner of the Coronado Country Club championship, which closed yesterday, and holds the championship of the Coronado Country Club for 1908. In yesterday's playing Mr. Gardner beat T. S. Lippert of Seattle.

His string of victories among the heavies is good enough to make him worthy of any manager's notice, for he put away Dick Fitzpatrick of Chicago, Cy Flynn of Buffalo, and Jack Williams of Philadelphia, who is considered by some to be the best middleweight in Pennsylvania, barring Jack O'Brien. His most recent notable victory is the knockout of Pat O'Rourke in New York, who weighs 150 pounds.

This colored wonder is something after the style of Walcott in being able to fight a lightweight one day, a welter the next and a middleweight the following week.

He is built on the Fitzpatrick plan, and is but 22 years of age. He is very tall for his weight, being 5 feet, 11 inches, and weighs very much of Gans. His shoulders are very broad and he has a great reach, is possessed of heavy hitting power, is an expert

boxer and fast on his feet, that would certainly make a color in the line of Herrera would not draw the color line. Blackburn might be a good one to give a fight here, and he claims the lightweight championship and says he will defend it against all comers.

## INCINERATION RIDES.

The City Trustees will, tomorrow, open bids for the erection of a garbage incinerator. A plant with a capacity of ten tons per day is required, and it is thought this will solve the question, that has caused no end of trouble in the past. Frequently the garbage dump has attracted the attention of city and county health officers, and has caused a world of worry among property owners near whose tracts the dump has been located. At the recent election an item of \$10,000 was included for the purpose of building a modern crematory.

## LORDSBURG.

**OLD FAMILIES UNITED.**  
LORDSBURG, Feb. 11.—St. Joseph's Catholic Church of Lordsburg was the scene of a very pretty wedding yesterday morning, when the actions of two notable families were united in the bonds of matrimony, the bride being

the charming Señora Mary A. Alvarado, daughter of Señor Adolfo Alvarado of Lordsburg, while the groom was Señor Louis B. Valla, son of Señor Anthony Valla, a wealthy property owner of Los Angeles.

The Rev. Father Nunan officiated. The bride, who carried a shawl bouquet of white carnations, was given away in a silver gray traveling suit and wore a white French lace.

The groom was, of Lordsburg, sister of the groom, was a woman of honor. She was attired in green, and carried a bouquet of white carnations. The wedding was a quiet one, only the relatives and intimate friends being present.

Open Evening During This Sale. Pacific Music Company. 437-439 South Broadway. Phone—Home, 835; Main, 835.

**CATALINA ISLAND.**  
SHERIFF DODGES "SHADOW."  
AYALON, Feb. 11.—Sheriff White recently shot the "Werden shadow" Friday, when he came over to the island in company with Capt. Hamilton, pilot at San Pedro, in the latter's little pilot boat. They are still enjoying life at Hotel Metropole.

Jack Carter, one of the popular young men of Avalon, slipped off to Los Angeles a few days since and returned today with a bride, former Miss Bridget, whose sister, Mrs. Woodman, is a resident here. Three blasts of the steamer's whistle as the couple walked off the wharf signalled their arrival, and then the rice throwing began. The young people braved the storm and made a hasty run for the cottage on Whitely avenue, which the groom had secured for their home. There they confronted a glaring sign, nailed to the peak of the roof, reading: "Just married."

**ISLAND BREVITIES.**  
Yesterday's rainstorm gave the island a total of 1.15 inches. A curious feature of last week's weather was that while Los Angeles on Monday and Tuesday had considerable showers, Catalina did not have even a sprinkle.

Miss H. Taylor, wife and daughter of Mrs. Robert Taylor, Hancock and wife, Mrs. E. H. Hamilton, and Benjamin Kelsey composed a Mansfield, O. party now at the Metropole.

Chicago and Mesquite Ballenger of New York had the sport of their lives Friday. They went after jacks, but got into a nest of sharks instead, of which they landed six, the largest of which weighed 25 pounds and gave them over two hours of the hardest kind of work.

Gen. A. L. New came over yesterday on a tour connected with the Pacific Wireless Telegraph.

**OCEAN PARK.**  
WORK ON BULKHEAD.  
OCEAN PARK, Feb. 11.—The building to whom was let the contract for the construction of a bulkhead for the protection of the ocean frontage of Short Line Beach are assembling materials for the commencement of work early in the present week. The tides today did no damage, and as they will continue to recede from day to day, it will be possible for building operations to be rushed before the return of the flood during the latter part of the month. Meanwhile, it is thought the sea will be gradually retreating, the trainloads of sand it has been stealing from under the sidewalks and houses.

**SEASHORE WHIFFS.**  
Although the weather was not auspicious, large crowds visited Venice today and enjoyed the miscellaneous programme of amusement afforded by the several attractions on the midway along the pier.

Mrs. Virginia Hill and William E. Givens were married yesterday at the home of the bride's parents, Mr. and Mrs. A. S. Givens, on Hollister avenue. The ceremony was performed by Rev. E. W. Parks. Mr. Givens is a late arrival from Toronto, Canada.

Mrs. William M. Kent and sons are beach visitors for a few weeks from Marietta, Ga.

## WOMEN WHO SUFFER

Dr. Williams' Pink Pills for Pale People. The One Remedy for Women's Suffering.

To women who suffer Dr. Williams' Pink Pills are worth their weight in gold. At special periods a woman needs medicine to regulate her blood supply or her life will be a round of pain and suffering. Dr. Williams' Pink Pills are absolutely the finest medicine that ever a woman took. They actually make new blood. They are good for men too—but they are good in a special way for women.

"It was three years ago last spring that my health failed me," says Mrs. Arthur Conklin, of No. 5 Coldwater street, Battle Creek, Mich. "I suffered from leucorrhoea and other troubles that, I presume, were caused by the weakness it produced. I was sinking, nervous, headachy, was weak and exhausted all the time and looked like a walking skeleton."

"My back and limbs would ache almost continually and there were days when I was absolutely helpless from sick headaches. I tried one doctor after another but could get no relief. I was entirely cured. As soon as the leucorrhoea was cured the headaches and other pains stopped. I am entirely well now but intend continuing to use Dr. Williams' Pink Pills as a spring tonic."

The genuine Dr. Williams' Pink Pills are sold by all druggists and by the Dr. Williams' Medicine Company, Schenectady, N. Y.

There they confronted a glaring sign, nailed to the peak of the roof, reading: "Just married."

**ISLAND BREVITIES.**  
Yesterday's rainstorm gave the island a total of 1.15 inches. A curious feature of last week's weather was that while Los Angeles on Monday and Tuesday had considerable showers, Catalina did not have even a sprinkle.

Miss H. Taylor, wife and daughter of Mrs. Robert Taylor, Hancock and wife, Mrs. E. H. Hamilton, and Benjamin Kelsey composed a Mansfield, O. party now at the Metropole.

Chicago and Mesquite Ballenger of New York had the sport of their lives Friday. They went after jacks, but got into a nest of sharks instead, of which they landed six, the largest of which weighed 25 pounds and gave them over two hours of the hardest kind of work.

Gen. A. L. New came over yesterday on a tour connected with the Pacific Wireless Telegraph.

**OCEAN PARK.**  
WORK ON BULKHEAD.  
OCEAN PARK, Feb. 11.—The building to whom was let the contract for the construction of a bulkhead for the protection of the ocean frontage of Short Line Beach are assembling materials for the commencement of work early in the present week. The tides today did no damage, and as they will continue to recede from day to day, it will be possible for building operations to be rushed before the return of the flood during the latter part of the month. Meanwhile, it is thought the sea will be gradually retreating, the trainloads of sand it has been stealing from under the sidewalks and houses.

**SEASHORE WHIFFS.**  
Although the weather was not auspicious, large crowds visited Venice today and enjoyed the miscellaneous programme of amusement afforded by the several attractions on the midway along the pier.

Mrs. Virginia Hill and William E. Givens were married yesterday at the home of the bride's parents, Mr. and Mrs. A. S. Givens, on Hollister avenue. The ceremony was performed by Rev. E. W. Parks. Mr. Givens is a late arrival from Toronto, Canada.

Mrs. William M. Kent and sons are beach visitors for a few weeks from Marietta, Ga.

F. J. Bargain in beach property. Mr. Chas. J. Hildesheim & Co., 142 Pier ave.
